from the seneschal

Letter from the Seneschal:

Greetings to all who come by these letters! The summer passes too swiftly! In the last hot days of the summer I take time to reflect on the past summer events and time to look forward to fall and winter events. This summer of intense heat began for many of our Populace with Quest for Camelot - the famed camping trip to Northshield. I have heard so much about this event - not only from those from our Barony, but also from a Bard from Northshield - a long tale of adventure in song! It is on my calendar to go next year!

Unser Hafen Champions took place in the beginning of June. It was a fun-filled day of tournaments and competitions to determine the best of the best. Our Champions will keep the fires lit in the hearts of the equestrians, archers, fencers, armored combat fighters and bards till next year!

In June, many of our fair Nobles traveled to encampments at Uprising and Lillies War in our neighboring Kingdoms of Artemisia and Calontir. Many also traveled to Glory War, sponsored by Unser Hafen. There were many events to our south in July, including the Kingdom's 20th anniversary celebration, which, I heard rumor, drew over 600 people!

Looking ahead to Baronial events this fall and winter we have the following events scheduled. Be sure to check the website for up-to-date information on these events.

- New West Fest August 19th,
- CSU's Student Involvement Fair August 30th
- UNC's Fall Bizarre on August 27th
- Weekly fighter practices in Boffarach (Greeley) and Unser Hafen (Fort Collins). Check the website for additional details.
- Newcomers and Baronial Investiture, September 30th
- Fighter practice moves to the indoor site at CSU's south gym for the winter (check the website for exact date).
- Yule, Our end of year gathering! December 1, 2006
- Winter Oasis, Middle Eastern music, dance, food! At CSU - January 20, 2007.
- Luck of Heros - Period Gaming and Fun for the family! April 21, 2007
- Champions - Plans are underway to make this an entire weekend with our neighboring Baronies!
- Glory War X - Mark your calendars for July 6, 7, and 8, 2007!

Every month, we have a Populace meeting, on the first Thursday of the month, and an Officer's meeting, on the third Thursday. The officer's meetings are open to the Populace and you are encouraged to attend! As our officers live in Fort Collins, Greeley, and Loveland, we rotate the meeting between those towns to share the driving costs. Feel free to contact me if you are interested in attending and would like to ride-share.

The Arts and Sciences are alive and well! Most events will have hands-on classes and armoring sessions (to make your own armor) happen monthly. Read more from our A&S Minister!

I look forward with a happy heart to being in service to the dream,

Lady EllaAnne deKari

There will be plenty of competitions in the arts of war: heavy and rapier snowball tournaments, the infamous bear hunt, and archery competitions. Evening festivities are always merry.

Location: Sam Tobias Campground, Lincoln Forest, Ruidoso, NM 88345. The site is Wet.

Site Fees: Adults: $10 per Member ($3 nonmember fee).

Fighting: List open and close for all tournaments simultaneously. Each tournament immediately follows the previous.

Bear Hunt: Teams of four fighters will attempt to slay the dreaded Clann Valley bear. Each team will be limited to 1 hunter armed with a spear type weapon (7½ or less) and 3 hunting dogs armed with single hand/single weapon. There will be three round and the team with the most points wins the tournament.

Combined Melee: This is a timed combined Heavy and Rapier melee. The team with the most points wins. Time allotted will be determined on site. The winning team of the Heavy snow ball tournament is paired with the second place team of the Rapier snow ball tournament and visa versa. To earn a point, the team that wins the field battle must also successfully siege the castle. Heavy fighters will start with fighting on the open field and rapier fighters will fight for the castle. This will alternate at mid-time point.

Le Guard Azure tournament: This is limited to soldiers of the Le Guard Azure.

Castle Siege Cooking Contest: This competition is restricted to 6 contestants; you must RSVP prior to the weekend. A limited supply of items will be provided along with a main mystery food item. Contestants will engage in rock-paper-scissors to determine who picks

first from the items provided. Each entrant should also bring their own items, but are restricted in the number of items they can bring: each entrant can bring a combination of 3 items in the ratio of 3, 2, 1 (e.g., you could bring 3 oranges, 2 ounces of ginger and 1 cup of white wine, or 3 oz of cheese, 2 measures of black pepper, and 1 onion, etc.). The items you bring will use in concert with the items provided to prepare a dish or several dishes as desired. You must present you brought items to the moderator prior to starting coooking. All cooking will take place in a designated central location. Definition of item is spices, liquids, produce, herbs, meats, grains, etc.

Potluck - Cooking Contest Tasting: The food from the Castle Siege Cooking Contest will provide the main dishes for the potluck. In the spirit of this event, everyone is invited to sample the dishes. If you'd like to bring a side dish or dessert to share you are welcome to do so, but it is not required.

Come get yer' WAR on!

Tired of all those other fighting events just having scenarios for an hour and then having to go sit down and wait? Tired of the Fog of Battle only lasting for 15 minutes? Then you obviously haven't been to a Wargy have you?

Only in Dragonsspine, the land that is merciful to its invited visitors and harsh to its unexpected in-laws, could an event so devious arise from! For one day only, the sun will be held back from setting. For one day only, the blood will never stop flowing. Yes, Wargy will have enough fighting to make you drool, but battles long enough to make you cry. Come experience a day long resurrection battle. Come experience fighting so tough, it will break even the hardest of the hard core.

Wargy will be offering some of the most unique circumstances ever seen in this Kingdom. Are you a heavy fighter and just want to kill antenna boys? Are you a rapier fighter who wants to embarrass a stick jock? Then you will have your chance today! For three armies will combine of both heavy and light fighters to take hold of the four islands that wait. As the day progresses, the fighting will not only become more tiring, but more challenging as well. My co-Autocrats, Master Dane and Sir Frederick, have some evil tricks up their sleeves that will bring you to your knees.

The fighting will not stop until the whistle blows, so at 10:00am until then, you better be ready. Anyone kill anyone in 30 seconds, can you do it after 3 hours? Come get yer' WAR on, for this will be a full-on Wargy to make you have both dreams and nightmares.

three stags: autumn battle and faire

September 1st through 4th (Labor Day weekend) 2006
Barony of Caerthe

The Barony of Caerthe invites one and all to the exciting new event that will transport you to a medieval town fair, and challenge you to battles grand till you can fight no more.

Some of the Planned events are:

* A large list of tourneys and battles Pageantry, Pageantry, Pageantry!!
* The Caerthen Warlord Tourneys
* A Quest
* Fencing till you drop
* An Herb walk
* Archery
* Ballista Bingo
* A&S classes as part of the fair ambiance
* Children's Activities

We have plans to build a town square and the Fair will have A&S classes that look as if they are merchant booths in a town. For instance, a shoe making class can look like a cobblers shop, a cheese making class can be a dairy/cheese shop, a sewing class can be a tailors shop, etc... Class ideas will be welcome, if you would like to teach one let me know. We are planning an Artisans Row, this will be where the artist of this Kingdom can set up a workshop for the weekend. Those interested can stop and participate and learn the crafts demonstrated. Willing Artisans needed!

Shine up your helms, make your banners, and get your heraldic garb together! There will be a contest for the best heraldry display, for individuals and households, and a contest for the best display of Kingdom, Baronial, Shire, Canton, or etc..... Colors and devices. Make something to show your pride in your Kingdom! A parade through the town to the beginning of the Pas-de Arms tournament will show all your finery off. Make your campsite a show piece, another contest is how much pageantry does your camp display: show off your household or personal colors.

Have you ever wanted to perform a play or farce? Get your group (or yourself) together and create a show for the fair stage.

If you have an Inn that you have run in the past and would like to set it up here please contact me, I am planning to coordinate and locate all the Inns into one area of the "Town".

Pets must be on a leash at all times and picked up after.

This is a heavily wooded area so check often on Fire restrictions, all fires must be off the ground in containers, a fire extinguisher near by and someone from the camp present at all times when the fire is lit. Any unattended fires will be put out and the container confiscated by the Autocrats till the end of the event. (Groveling and bribes may affect getting them back, at the whim of the Autocrats) Bring your wood, no gleaning of the wood on site. Torches may be allowed at the whim of the fire restrictions.

Alcohol in period containers only, no glass bottles and the age limit will be enforced.

Since we are right next to the town of Elizabeth and have neighbors on both sides of the park, a noise curfew will be set for 12:00am (midnight). It may be later on Saturday depending on the park ranger, I will check with him.

Are you a Merchant? Want to be part of this? Contact the autocrats for further info.
